

Dear Colleagues,

Greetings from Pusan National University (PNU) in Busan, South Korea!

This is Rachel (Jinkyong Kwon) in charge of PNU Summer School at PNU International, and I'm writing to let you know about upcoming **2019 PNU Summer School** from late June to August.

We have two primary sessions in 2019 PNU Summer School, a five-week course (**Session A : 26 June – 23 July**) and a three-week program (**Session B : 25 July – 13 August**), with both featuring either a Korean culture and language immersion track or a more intensive academic track. Both sessions also include a variety of cultural activities outside of the classroom.

In this year, Summer program fee of exchange student is given as **1,798,000 KRW (Session A)** and **1,498,000 KRW (Session B)** in that enrollment fee and tuition fee could be waived to the PNU partners. But, there is no duplicate discount with "Early Bird Promotion" from 11 March to 7 April.

Our summer school fees for either session are exceptionally reasonable and extremely competitive with other universities in the Seoul area.

In addition, I would like to offer a "**Special (Group) Promotion**" to PNU partners. We want to give many opportunities to experience various with PNU Summer program to lots of yours.

Busan, which is awarded as Asia's best city in 2018 Lonely Planet, will never disappoint the students to experience extracurricular activities and one of the best (and safest) nightlife experiences anywhere in Asia. It is a great place to be in the summer time, especially with the road along the beautiful coastline as the city features of Busan, South Korea's. Furthermore, lots of unique tourist attractions including the most famous beach Haeundae and tasty eats in Korea's seaside city make visitors awesome memories in their life!

Please promote 2019 PNU Summer School to your students, and feel free to contact me([summer@pusan.ac.kr](mailto:summer@pusan.ac.kr)) with any questions you have concerning our Summer Program.

Sincerely,

Rachel
